EXPERIENCE

Designer - Raindrop Marketing Agency

(February 2019 - May 2020)

I was one of ten designers within this agency, serving over 50 clients in their advertisement, branding, and video needs.

- **GRAPHIC DESIGN:** Designed high volumes of custom menus, emails, advertisements, and print assets to drive engagement and sales for multiple clients simultaneously across multiple industries under tight deadlines.
- **WEB DESIGN:** Collaborated with brand managers and web developers to create unique website designs for multiple restaurants, promoting increase in website interaction and customer visits.
- **MOTION DESIGN:** Independently created social media assets & GIFs to fully animated videos for clients from a given script.
- **PHOTOSHOOTS:** Assisted in prop/food styling and creative direction with teams of photographers and brand managers
- **LEADERSHIP:** Facilitated meetings for Creative Team collaboration in skills, and planning meetings for increasing the general well-being throughout the office

Designer - Lighthouse Bible Church, San Diego

(2017 - Current)

- **GRAPHIC DESIGN :** Worked with designers & web developers to create print collateral (booklets and programs, cloth banners, postcards, stickers, canvases), branding, apparel design, social media/webpage posts. Deliverables were sent to events of 300+ attendees. Also aiming to create cohesive branding guidelines for churchwide use.
